Traveling to Florida is a wonderful performance opportunity for both groups. However, this is a privilege that will be earned through hard work, both financially and musically. As much as we would like for every student to attend it is not financially possible for the programs to cover the bill for those in need. Students will be given the opportunity to fundraise and are highly encouraged to participate. However, also please realize payments will be due on the indicated dates due to the deadlines we have with the travel agencies.

Cost per followers at any age:

Hotel/Theme Park Tickets/ Cirque Tickets/ Meals in park and on route same as kids. Followers will not receive cash each day like members. We are not able to quote or offer packages for adults that do not wish to ride the bus with us. This is mostly because we will not have any transportation available for the parents once we are in Florida. We will attempt to find out additional options for parents that wish to fly down on your own; however we do not have any information available.

- Quad occupancy per person- \$650 plus bus expense
- Triple occupancy per person- \$700 plus bus expense
- Double occupancy per person- \$850 plus bus expense
- Single occupancy per person- \$900 plus bus expense

Additional cost for each follower-Bus to Florida and while in Florida Cost:

- \$11,200 divided by total number on the bus. Each bus seats 56 students so if every butt spot is filled it will cost \$200 per follower. * This final amount will be set by November 1, 2011.
