

Parents,

Below is an email from Mr. Bubalo the activities director at South. It would be wonderful if we could fill the bleachers with band parents every game. This way you don't have to come early and try and find a seat. It is reserved and waiting for you on the 50! In addition you will also have back rests in this special reserved section. Please contact Pam or Mr. Bubalo in the activities office for additional information. Come on we can fill the stands!

Thank you,

Mrs. Goff

---

**Clearly, the tough economic times are still having an impact for our community.**

We sold only 80 reserved seats for the FB season, which is basically the top 4 rows. That's our fewest number sold in the 7 years we have had the stadium. I think it would be a shame for our FB team, band, dance and cheer squads to have that middle section look desolate with only the top 4 rows filled and the next 8 rows empty.

**So, we are RE-SELLING SEASON TICKETS under the following format.**

Please send this to your mailing lists TODAY and encourage your parents to support the Jags on Friday nights. Thanks for your help!

1. Those who sent in applications for season tickets by Aug. 10, the original deadline, have received seat assignments. However, we are re-funding \$25 per ticket to those people so that tickets now cost \$50 per seat rather than the original \$75. **They need to bring a check for their new amount to the activities office and pick up their tickets and their old check.** If you have any questions, please call Mr. Bubalo or Pam Hahn in activities... your seats were assigned by lottery and you have seats in one of the top 4 rows.

2. **Tickets are now being sold on a first-come-first served basis.** Bring in your money and buy reserved seats for the coming season for just \$50 per seat (that's \$10 per game instead of the normal ticket fee of \$5). For just \$10 a game you can have a reserved seat for each game, sit in the middle of the field and have the best view of the game, the band, the dance and cheer squads.

3. **You can pick out your seats when you come to the activities office to buy them.** If you want to sit by another family, you should plan to come to the activities office together and buy them at the same time. We are open from 6:45 a.m. until 3:30 p.m. every day.

We will also be selling season tickets at the ticket booth this Friday, Aug. 19 when the Jags host the Jamboree FB scrimmage. There is no reserved seating for the scrimmage that night but you can buy tickets for the regular season.

4. Reserved parking passes remain the same price... \$20 for those who buy season tickets, \$25 for those who don't.

5. Any reserved seats that go unsold will be available on a per-game basis. Those tickets can be bought, starting each Monday before the Friday night game (ex. Aug. 26 tickets may not be purchased until Monday, Aug. 22). The cost will still be \$10.

We are making every effort to make this reserved seating affordable so we can fill that section... nothing looks worse than to have reserved seating that is not filled! We hope you will find this new "emergency" plan something you can afford and we hope that you will encourage one another to come in and get tickets as soon as possible.

Thanks for your help. We hope to see you at all the Jaguar home football games this season!
