

The Blue Springs South Jaguar Pride marching band is in need of sponsors to offset the cost of graphics and accessories for our new trailer. The trailer is used to transport the bands equipment to marching competitions throughout the Kansas City area and across the state.

With your sponsorship donation of \$400 we will have your full color logo printed on our trailer, give your company recognition on all band literature, our websites and Facebook page, and distribute any flyers or ads you may have to the students and their parents.

The staff, students and band parents greatly appreciate your financial support of South's Jaguar Pride marching band program.
Thank-you!
