- **We as Jaguar Pride parents, members and staff are reminded to be true patrons of the arts throughout the day. Every student, no matter what program, works incredibly hard and deserves respect and applause. Please remember not to get up during a performance (unless to cheer in a standing applause.) Cheer and clap and for other bands no matter how large or small. Respect and encouragement! Parents please look for each other in the stands. The students love seeing the sea of green or grey (this year's shirt) taking over the stands. Cowbells, noise makers are permitted; just don't go crazy! We look forward to seeing everyone there.**

Please have your busses enter at Mick Deaver Dr. off of Stadium Blvd. There will be a marked check-in booth where your guide from Marching Mizzou will be waiting to assist you.

Lot G (directly south of the stadium) is no longer available for general public parking due to new construction projects. This lot will be available for bands that wish to unload and/or load their pit equipment closer to the stadium. This lot should not be used for parking your equipment vehicles for the day as we request a two hour window so everyone who is interested has access.
