## Power of Pink Game is being rescheduled to October 28<sup>th</sup>.

We have decided to reschedule the event to the October 28<sup>th</sup> football game. Due to the early season football schedule and inclement weather the band has not been able to wear their uniforms yet. We would like for the members to have an opportunity to perform in their complete uniform prior to the Blue Springs Festival. In addition the new date will allow the event to happen during the month of Breast Cancer Awareness.

*Below is additional information about the POP Foundation.*

*Power of Pink Breast Cancer Foundation offers emotional support, wigs, prosthetics, supplemental drinks, research information, and personal support for men and women diagnosed with breast cancer through their survivorship. Our offices are located in Blue Springs, Platte City, and Joplin providing support for people within our communities. We offer care packages for newly diagnosed patients, which include handmade items by volunteers such as blankets, hats, and comfort pillows. Our mission is to provide personal one on one contact with patients dealing with this terrible disease. We appreciate any funds and in-kind items donated from the community. We could not provide services without this kind of generosity of community support. If you have any questions or know anyone who needs assistance please contact Karla Butkovich 816.878.1840.*

## Saturday Rehearsal

As a reminder we have a rehearsal scheduled this Saturday from 9-12. Our goal is to get as much of the closer drill on the field as possible. It is very important EVERYONE is attendance. Hornline and percussion members this will count as a performance grade. This is how important the rehearsal is for the season. We only have 4 rehearsals until BS festival. Let's make them count!
